Bonita & Darryl Datwyler, Unit 1 Lot 71, 14801 Navarro Way

Dear Irish Beach Property Owner:

The noted property owner has applied for an Irish Beach construction permit to enclose their entry porch as shown on the attached drawing. The committee has reviewed this application, and has determined that the proposal meets the requirements of the CC&Rs and is within the previously approved building envelope and view corridors. If you have any comments or concerns, please submit them in writing/email to the Irish Beach Architectural Committee by no later than August 8, 2020.

Owing to the current health restrictions, no public space meeting will be held unless project objections to the project are received prior to the August 8 date. Any other questions, please direct them the ADC at the email address above for answer or resolution. Any discussion or comments will be captured in the minutes and posted on the ADC website.

Regards,

IBADC Committee
